

Holroyd Hotline Week 3

Welcome to athletics Week 3, athletics competition is on every Friday – should there be rain on the day or ground closure, you will be notified by 5.30pm the latest via WhatsApp, email, or social media, please refrain from making contact.

Uniforms – Smaller tops sizes should be in tomorrow, please check in with uniforms when you arrive.

Ground Line marker needed – As we have to mark the ground when the lines disappear, we would love to have someone train up to assist the committee as groundsman (marking the field on Thursday afternoon or Friday before we start). Otherwise, the council will charge us over \$220 each time, so if your available to train up please come and see Aino or email back ASAP.

Age Group assistants update

This being our 3rd week, things should be settling down, and parents should be getting familiar with the running of our competition nights now, we may not have committee people with event expertise on all field events from this week, so I hope you have all been listening & learning how events run.

- Please make sure you sign on before taking a Coles vest, as we have a limited supply. Should we run out (late comers), please sign on and put a x for vest.
- Move athletes to events in an orderly manner
- Check for race progress before crossing to circular or straight track
- Need at least 3 parents to run events – it is difficult to get the correct results otherwise.
 1. Recorder for results
 2. Spicker – for throws & jumps (tape for final measurements)
 3. Measurer from the circle or jumping line
- Some groups have had lots of parents sign on to assist, as most parents want to be near their children, it is important that you are there to help.
- Please make sure all events that have been allocated to your age group is done before going home, as it may affect athletes results and point score for presentation.
